to Gregory

Dear Gregory,

congratulations!

The program committee of IPEC 2015 is pleased to inform you that your paper

On the Workflow Satisfiability Problem with Class-Independent Constraints

has been accepted for oral presentation at the conference conference.

We will send the reviews in a couple of days, together with reminders about deadlines and rule for production of proceedings version.

For now, please remember that the registration deadline for IPEC 2015 is very soon:

31 July 2015, 17:00 EEST

The IPEC organisers urge you to register and book travel and accommodation as soon as possible.

The conference website is at <http://algo2015.upatras.gr/ipec/>. You can register at <http://algo2015.upatras.gr/registration.html>.

On behalf of the program committee, thank you again for submitting to IPEC, and see you in sunny Greece for an exciting conference!

Iyad and Thore
