The first recording of *Bumble* was by  
Danae Eleni (soprano), Emelye Moulton (Mezzo), Karl Gietzmann (alto),  
Miles D'Cruz (tenor), Fraser Moyle (high baritone), Ralph Warman (bass) at  
Carleton Studios, Mill Hill, North London on  
8<sup>th</sup> September 2019

Duration: 3:45

Performance materials available from the composer.

## Performance instructions

There should ideally be a minimum of two voices on each part. For concerts, the two choirs should stand as two separate groups positioned in a shallow V shape. Where possible, the two choirs could be placed in separate locations in order to maximise the antiphonal effect.

Pitch pipes or a quite harmonica can be used to intone pitches G, A, B, C when needed.

Pronunciation of text

Lower case:

g – as a short percussive consonant, but intoned as the ‘gu’ sound in the English word ‘gurn’

ah – as a short percussive vowel as in the first syllable of the English word ‘a-hah’

t – as a short percussive consonant, but intoned as the ‘tu’ sound in the English word ‘turn’

k – as a short percussive consonant, but intoned as in the ‘cu’ sound in the English word ‘curtail’

Upper case:

G – as the English word ‘gee’

A – as the ‘ay’ sound in the English word ‘may’

T – as the English drink ‘tea’

C – as the English word ‘sea’

## Programme note

*Bumble* is the third in a trilogy of bee pieces following *Song's Eternity* (2011) for oboe and piano, and *The Arrival of the Beat Box* (2011) for soprano and speaking body percussionist. Both latter pieces were my musical tributes to Sylvia Plath's 'The Arrival of the Bee Box' and a contribution to raising awareness of bee decline. I went on to take a particular interest in the scientific aspect of bumble bee decline, and *Bumble* is the outcome.

DNA sequencing is the process of determining the precise order of nucleotides (adenine, guanine, cytosine and thymine) within a DNA molecule. The result is represented as a long sequence of the letters A, G, C, T. While such information is useful for biologists, it can render interesting musical results when used as part of the compositional process.

In *Bumble*, the double quartet represents the double helix model of DNA structure in which two strands intertwine in opposite directions and base pairs bond (G with C and A with T). *Bumble* is structured on the 658-letter sequence of the *Bombus Cryptarum*, a species of bumblebee recently identified in Ireland. Only pitches G, A, B (for T) and C were used, while harmonies were created in a determinate way from G-C and A-B 'base-bonding' intervals and formed indeterminately as quartet two simultaneously sings quartet one's pitches in reverse. The three-dimensional visual spiralling aspect of the double helix is musically translated by dynamics. The lyrics are formed from the letters themselves, delivered in a variety of ways.

S. Musical staff for Soprano voice. The staff contains notes and rests corresponding to the lyrics: ah t k t k k k g. The notes are mostly quarter notes and half notes.

A. Musical staff for Alto voice. The staff contains notes and rests corresponding to the lyrics: ah ah t t t ah t ah t ah ah ah ah ah t ah t t t t ah t ah t t t. The notes are mostly eighth and sixteenth notes.

A. Musical staff for Alto voice. The staff contains notes and rests corresponding to the lyrics: k k ah k ah t t t ah t ah t ah ah ah g ah ah t k ah t t t t k ah t ah t t t. The notes are mostly eighth and sixteenth notes.

T. Musical staff for Tenor voice. The staff contains notes and rests corresponding to the lyrics: ah t ah g t t k t. The notes are mostly quarter notes and half notes.

A. Musical staff for Alto voice. The staff contains notes and rests corresponding to the lyrics: G C T G C T A C T A G. The notes are mostly quarter notes and half notes.

T. Musical staff for Tenor voice. The staff contains notes and rests corresponding to the lyrics: ah t k t k k k g. The notes are mostly quarter notes and half notes.

T. Musical staff for Tenor voice. The staff contains notes and rests corresponding to the lyrics: ah t ah g t t k t. The notes are mostly quarter notes and half notes.

B. *f* Musical staff for Bass line. The staff contains notes and rests corresponding to the lyrics: C G G G G C C C C C. The notes are mostly quarter notes and half notes. A dynamic marking of *f* is present at the beginning.

68

The musical score consists of seven staves. The top staff is for Soprano (S.), the second for Alto (A.), the third for Alto (A.), the fourth for Tenor (T.), the fifth for Alto (A.), the sixth for Tenor (T.), and the seventh for Bass (B.). The score is divided into two measures by a double bar line. The first measure is in 4/4 time, and the second is in 5/4 time. Dynamics include *sfz*, *f*, and *f*. Lyrics are provided below the notes. The Soprano part has two 'ah' lyrics. The Alto and Tenor parts have 'T' and 'A' lyrics. The Alto and Tenor parts have 'T A G C' and 'T A T C' lyrics. The Tenor part has 'ah t t ah k t ah k k' lyrics. The Bass part has 'ah t t ah k t ah k k' lyrics.
