

Subject: Jonathan Peelle via Frontiers: Manuscript Accepted

Date: Friday, 24 January 2014 17:58:36 Greenwich Mean Time

From: Frontiers

To: McGettigan, Carolyn

Jonathan Peelle has sent you a message. Please click 'Reply' to send a direct response

Dear Dr McGettigan,

I am very pleased to inform you that your manuscript was accepted for publication in Frontiers in Systems Neuroscience.

Article type: Original Research

Title: Lexico-semantic and acoustic-phonetic processes in the perception of noise-vocoded speech: implications for cochlear implantation.

Authors: Carolyn McGettigan, Stuart Rosen, Sophie K Scott

Edited by: Jonathan E Peelle

Your manuscript is already available online and will be replaced with the final PDF as soon as it's published.

Please click here to access the final review reports and your manuscript directly:

http://www.frontiersin.org/Review/EnterReviewForum.aspx?activationno=ab849e8f-95f6-44ac-9cd4-6f44162a6647&utm_source=Email+to+authors+&utm_medium=Email&utm_content=T1+4.8e1+author&utm_campaign=Email+publication

As an author, it is important that you maintain your Frontiers profile up to date, not only because our website receives millions of page views monthly, but also because upon publication, your article will be disseminated on the Frontiers Research Network. Please ensure your profile pages are up to date (profile pictures, short bio, list of publications) by clicking on this link:

http://www.frontiersin.org/Profile/EditProfile.aspx?EP=1&utm_source=Email+to+authors+&utm_medium=Email&utm_content=T1+4.8e1+author&utm_campaign=Email+publication

Frontiers is the first publisher to introduce a research network, increasing article views by 30% and author profile views by 70%. Please ensure your profile pages are complete (profile pictures, short bio, list of publications).

Thank you for authoring this paper at Frontiers!

With best regards,

Jonathan Peelle
Guest Associate Editor, Frontiers in Systems Neuroscience
www.frontiersin.org

What do I need to do now?

1. Ensure your profile pages are up to date (profile pictures, short bio, list of publications) by clicking on this link:

http://www.frontiersin.org/Profile/EditProfile.aspx?EP=1&utm_source=Email+to+authors+&utm_medium=Email&utm_content=T1+4.8e1+author&utm_campaign=Email+publication

2. You will be contacted as soon as the author proofs are ready for your revisions. If your manuscript is not the latest version, or if you have further modifications to your manuscript, please contact the Frontiers Production Office science.production.office@frontiersin.org immediately.
